## "Alive"

Page 1 of 1

**C G D G x2**

(Verse 1)

**C** **G**  
She wasn't aware, she had pebbles in her hair  
**D** **G**  
She walked that straight line, lying all the time  
**C** **Em** **A7** **D**  
Her heart aching for some other kind, of being that makes her alive

(Chorus)

**C** **G** **D** **G**  
Alive, alive, alive, alive  
**C** **G** **D** **G**  
Alive, alive, alive, alive

(Verse 2)

**C** **G**  
When she was low, she'd go walking in the snow  
**D** **G**  
Alert with the breeze, trying not to freeze  
**C** **Em** **A7** **D**  
The cold gave her some other kind, of feeling that makes her alive

(Chorus)

**C** **G** **D** **G**  
Alive, alive, alive, alive  
**C** **G** **D** **G**  
Alive, alive, alive, alive

(Bridge)

**Bm** **C**  
She said, I won't let myself fall for you  
**G**  
I won't let myself fall for you  
**C** **Em**  
I love being with you, whatever we do  
**D** **G**  
I won't let myself fall for you

(Verse 3)

**C** **G**  
She's afloat on the lake, waves she will make  
**D** **G**  
Singing a tune, howlin' at the moon  
**C** **Em** **A7** **D**  
The water's embrace, cool and wise, reminds us all of being alive

(Chorus x2)

**C** **G** **D** **G**  
Alive, alive, alive, alive  
**C** **G** **D** **G**  
Alive, alive, alive, alive

Inchin' towards the shine in this  
life  
Nothing more, nothing more  
Each feeling that I get, deep  
inside,  
Comes and goes, comes and goes

(Verse 2)

Here we are, intertwined  
Turning slow, turning slow  
Rhymes and rhythms, rhythms, rhymes  
Can't be sold, can't be sold

(Chorus 1)

Sure! You are, who you are  
Read the room, slick and smooth  
I'm gonna tell ya what I did that  
night  
Will you listen up?  
(pause)  
Can you take the, "Boom!"?...Ahaha  
Can you take the, "Boom!"?

Each one of us that passes by  
Brings a life, brings a life  
Have some of this and gimme that

Golden gears and moving hands  
Ah-ah, friendship rings of silver and

## Friend Zone (115 BPM)

### Verse 1

Intro: G F#m Bm A D D x4

D G A D  
Flailing around with so much to do

But all I can think about

G A D  
is being with you

D G  
I'm very short sighted so I let  
A D  
things ride

D  
Til I feel unneeded pressure that I  
G A D  
just can't hide

G F#m Bm A D D x2

### Verse 2

D  
You know I never find the words to  
G A D  
tell you what I have to say

G  
Avoiding all the games that we won't  
A D  
ever play

D G A  
Don't want to see us destroyed in

the end

D  
So I'm ready for your mantra that  
G A D  
you love me as a friend

### Pre-Chorus

Em A  
Desire is betraying me  
Em  
Intentions escape that should not be  
A  
freed

G F#m (Flute lick)  
(over chords: D Em Bm A)

### Chorus

D Em C  
So Here's to you  
G D Em C  
And the way you make me feel

G D Em  
It may not happen between us  
C G D Em C  
But what we got is just as real  
G D  
So let's embrace all this tension  
Em C G  
And give attention to our fears  
D Em  
Because I know we can withstand it  
C G D  
When our intentions remain clear  
Em C

G F#m Bm A D D x4

### Verse 4

D  
So now we've traveled far back to  
G A D  
where it all began

Why this place is better I won't  
G A D  
fully understand

G G D  
No more analysis enough overkill

Let's reset our friendship and  
G A D  
re-climb this hill

### Pre-Chorus

Em A  
Desire is betraying me  
Em  
Intentions escape that should not be  
A  
freed

G F#m (Flute lick)

**Dm (walkdown: C B A) x 4 for intro**

**Verse 1**

You said you'd come by  
And we couldn't believe  
How you soared inside  
How your soul was received

It shouldn't surprise us  
The choice that you made  
Years of singing and humming  
Oh the ivory you played

**Verse 2**

**Dm (walkdown: C B A)**

We all feel honored  
To have lived in your grace  
To hear your laughter  
See the grin on your face

Every room was brighter  
Your spirit assured  
That the joy and the music  
Will always endure

All the songs that you sang  
And the stories you told

No blinding light

just our hands clasped so tight

waiting for the hint of a spark.

by a lady in black.

And I held my tongue

as she told me "Son,

fear is the heart of love".

So I never went back.

# I Wish I Was

[Verse 1] (*Guitar intro with drums 16 Bars total, Sonia's flute comes in at 8 Bars*)

**Ab Db**  
I wish I was a flame dancing in a  
candle

**Ab Db**  
Lighting up your living room high on  
the mantle

**Bbm Db**  
I could bring some romance without  
any scandal

**Ab Db Ab**  
And then when you were done you'd  
just put me out

**Ab Db**  
I wish I was a tune you sang in your  
kitchen

**Ab Db**  
Putting your groceries away and  
washing your dishes

**Bbm Db**  
I could float around your tongue and  
ease the tension

**Ab Db Ab**  
And then when you were done you'd  
just quiet down

[Chorus] **Db**

But if I get too close

**Ab**  
Will the magic fade?

**Cm Fm**  
Would I turn you off or away?

**Db**  
If I pull you in

**Ab**  
Would I push you out

**Cm Db**  
Of something here you care about?

**Bbm Db**  
Well I'm at a loss for what to do

**Eb Eb7**  
But I'm drawn to you

[Verse 2]

**Ab Db**  
I wish I was a sweater wrapped around  
your hips

**Ab Db**  
And when it got too cold into me  
you'd slip

**Bbm Db**  
And when the sun came back you would  
hang me up

**Ab Db Ab**  
And I would watch you while you  
undress

[Chorus]

**Db**  
But if I get too close

**Ab**  
Will the magic fade?

**Cm Fm**  
Would I turn you off or away?

I am not a sweater

**Ab**

I'm not a fire

**Db**

I am something better

**Bbm**

**Db**

I'm a man in love writing you a  
letter

**Ab**

Will you take it

**Db**

Will you keep it

**Bbm**

Will you read it

I love you

[Verse] 2X (same chords)

Did you have to go to jail  
Put your house on up for sale, did  
you get a good lawyer?  
I hope you didn't catch a tan  
I hope you find the right man who'll  
fix it for you

Are you shopping anywhere  
Changed the color of your hair, are  
you busy?  
And did you have to pay that fine  
That you were dodging all the time,  
are you still dizzy?

[Chorus 2]

**Ab**

Cos since I come on home

**Gm**

well my body's been a mess

It holds in the pain

Sometimes you're happy
